

THE BATTLE AGAINST THE POWERS
OF DARKNESS AND THE ADVERSARY

PRINCIPLES

- The Power of the Priesthood and/or the name of Jesus Christ always works.
- You do not need to always raise your arm to the square or say the words audibly with physical attacks. Raising your arm to the square is best, but sometimes we are not able to do so.
- May perform priesthood blessings over the phone. Probably 90% of my blessings are over the phone. Extreme cases are often benefitted by being present with the laying on of hands and anointing with consecrated oil.
- Do not use or permit language like "afraid" "scary" or "scared." Use better language like "intense" or "crazy" Nothing is scary about this when you know the priesthood works every time.

PRINCIPLES

- Every negative emotion, unworthy thought, or temptation is almost always sourced in the powers of darkness (i.e. an evil spirit).
- Everything on our Heavenly Father's side (the Light) is mimicked or imitated by the powers of darkness. (i.e. the gift of discernment is mimicked by divination and psychic powers)
- My Recommendation: Use the gift of discernment and revelation (spiritual gifts) to identify the adversary and their weapons. Father instructed me to use spiritual gifts. I personally do not use worldly approaches like muscle testing also known as applied kinesiology.
- Another recommendation: Individuals often reveal matters that require repentance like pornography, adultery, or fornication. I ask them to discuss matters related to repentance with their Bishop. I explain that I am not their Bishop.

DEFINITIONS

- Evil Spirits: one-third part that followed Lucifer in the premortal existence.
- Unclean Spirits: those who kept their first estate in the premortal councils. Most likely, they lived on the earth and led unworthy lives. They are unclean until they repent and receive the Savior's atonement. Then, they become clean through the atonement. Hence, the title unclean spirits.
- Entities: Disembodied things or creatures that may or may not have a spirit. Examples include spiritual snakes and wolves. Also included, evil intelligences.

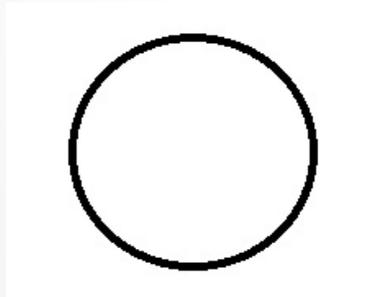

PREREQUISITE LAWS

- The Will of Our Heavenly Father – this is an inviolate law.
- Agency – God honors the Law of Agency. Also inviolate.
- Accountability – God honors the Law of Accountability
- Mercy – God desires to bless His Children with Mercy

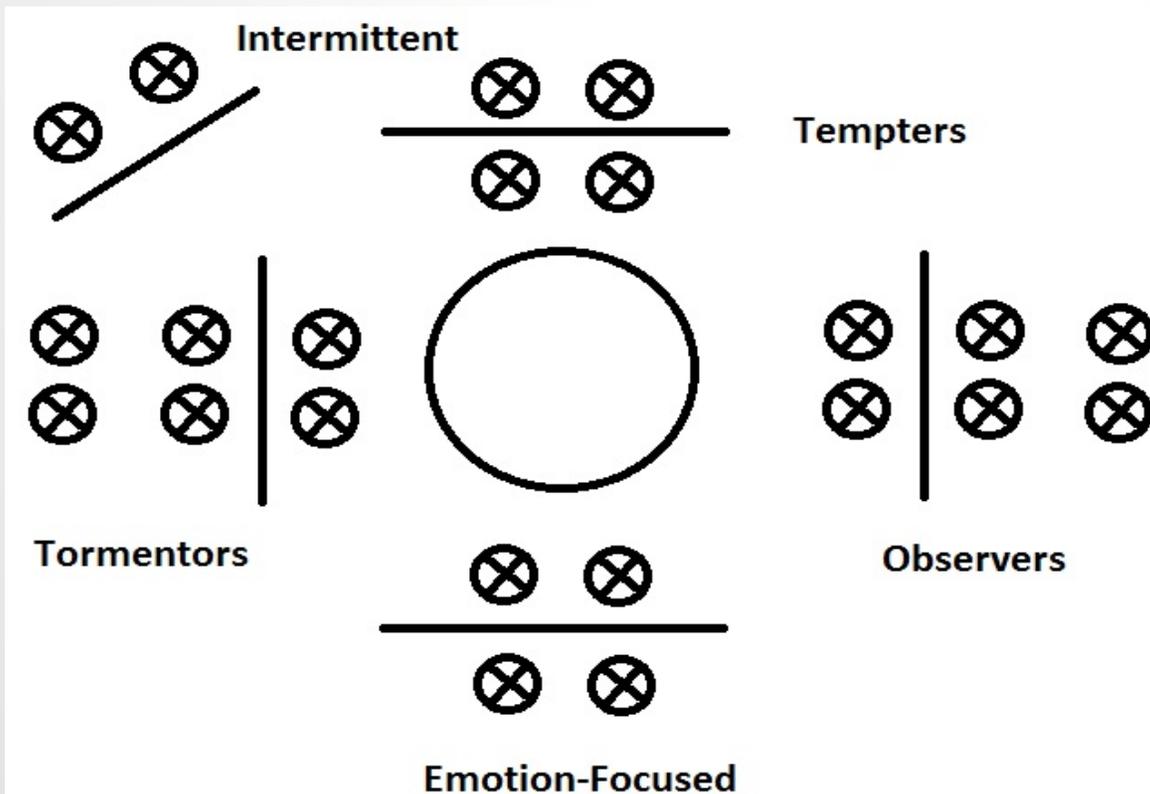

The Savior (who is the master physician) heals. We use Him. We should not take nor seek for the credit in this work.

The Goal

CLASSES OF EVIL AND UNCLEAN SPIRITS

- Physical attackers – throw and damage or destroy physical objects, shake buildings, try to physically hurt people
- Possessors - attempt possession (often occurs when the energy field for a person is broken or severed).
- Tempters
- Emotion-Focused Spirits and Entities. I call them emoters.
- Tormentors
- False Priests who Oppress and Create False Beliefs
- Diviners, Psychics, Witches, Warlocks

CLASSES OF EVIL AND UNCLEAN SPIRITS

- Ancestors and intergenerational family members
- Observers (formerly known as watchers)
- Indirects – work through others to attack
- Intermitten Spirits
- Advanced evil and unclean spirits take the name of the person they are affecting. This is very dangerous with respect to identifying personal thoughts.

PRIESTHOOD INSTRUCTIONS

By the authority of the priesthood or by invoking the name of Jesus Christ, command all evil and unclean spirits and entities and their replacements to be immediately bound and contained. Command them to follow and obey these instructions with respect to you, the individual for whom the blessing is intended, and for our mutual families, friends, and acquaintances.

If working with ministering angels, ask the ministering angels to give these priesthood instructions.

SPECIFIC PRIESTHOOD INSTRUCTIONS

- Never return
- Do not reveal anything; including from where or by whom they were cast out
- Destroy all records and record keeping devices
- Do not transfer (example is with Legion in the New Testament. Don't give them any opportunity to transfer). Transfer happens a lot in homes with immorality and abuse (i.e. pornography)
- Others instructions as directed by the Spirit or recognized as needed by ministering angels. Such as destroy central records and knowledge of the individual.

SPECIFIC PRIESTHOOD INSTRUCTIONS

Cast them out to spirit prison in a place beyond their ability to influence the involved individuals until:

- They repent or
- They receive the final judgement or
- The Father permits their release

We're so close to the millennium that it doesn't matter if they are bound and contained for 1,000 plus a few extra years.

Remember: these instructions must be obeyed with respect to the individual receiving the blessing, to you, to your mutual families, friends, and acquaintances.

WEAPONS, TOOLS, RESOURCES

- Fiery Darts of the Adversary: More than Metaphor
- Curses
- Structures
- Chains, Cords, Ties, Bonds, Connections, Links
- Layers and mists of darkness
- Coverings and shields

WEAPONS, TOOLS, RESOURCES

- Openings, portals, doorways
- Viruses – often attached to lies
- Covenants and Contracts (refer to Doctrine and Covenants 132:7)
- Programs
- Patterns – very dangerous due to subtlety
- Embedded Weapons (i.e. DNA and intergenerational structures)

WEAPONS, TOOLS, RESOURCES

What is the promise:

Isaiah 54: No weapon that is formed against thee shall prosper.

Necessary Actions:

All of the adversary's weapons, tools, and resources need to be severed or removed from individuals, their families and their homes or even business or work location. Then, destroy these items. If they cannot be destroyed (i.e. embedded DNA weapons), I have been instructed to sanctify them so that they can now only be used for righteous purposes.

OUR WEAPONS AND TOOLS

- The Priesthood and Invoking the name of Jesus Christ
- Our absolute faith (no fear)
- The Light and Love of Heavenly Father. Ask for this to come down from heaven and fill the soul of the affected individual.
- Counsel to individuals to look for the hand of the Lord in their everyday life. Reference President Eyring's October 2007 Conference Talk entitled "O Remember, Remember."
- Maintaining a spirit of gratitude, forgiveness, joy, and love for everyone.

OUR WEAPONS AND TOOLS

- Repentance
- Spiritual Structures:
 - Shields, boundaries, or barriers around homes and people.
 - Ties and connections to the Savior and Heavenly Father
 - Spiritual Pillars that bring light, healing, peace, love or other blessings into a home.

EXPECTED OUTCOME

- Many sense that things seem overly quiet for a few weeks – that's good!
- Some have a little remaining darkness after the blessing. This can be like peeling back the layers of an onion. We can usually remove all of the darkness in one blessing.

COUNSEL

- Use revelation and your spiritual gifts like discernment.
- Avoid anything that jeopardizes the Spirit – particularly many forms of music and entertainment (i.e. television and movies).
- Wear temple garments faithfully
